1.3 The seal of the Association shall have inscribed thereon the name of the Association, the year of its organization and the words "corporation not for profit". Said seal may be used by causing it or a facsimile thereof to be impressed, affixed, reproduced or otherwise.

2. MEMBERSHIP AND MEMBERS' MEETINGS.

2.1 Qualification. The members of the Association shall consist of all of the record owners of units in BARWOOD CONDOMINIUM II, A CONDOMINIUM, and such membership shall become effective immediately upon a party becoming a record title owner of a unit in the condominium.

2.2 Change of Membership. After receiving approval of the Association elsewhere required, change of membership in the Association shall be established by recording in the Public Records of Palm Beach County, Florida, an approval of transfer and a deed or other instrument establishing a record title to a unit of

BARWOOD CONDOMINIUM II, A CONDOMINIUM, and delivery to the Association of a certified copy of each instrument, the grantee in such instrument thereby immediately becoming a member of the association in the place and stead of the prior owner. The membership of a prior owner shall thereby be terminated.

~~2.3~~ 2.3 The annual members' meeting shall be held at the office of the corporation at 10:00 a.m. Eastern Standard Time, on the first Tuesday in February of each year for the purpose of electing directors and transacting any other business.

2.4 Special members' meeting shall be held at the office of the corporation whenever called by the President or Vice President or by the majority of the Board of Directors, and must be called by such officers upon receipt of a written request from members entitled to cast one-third of the votes of the entire membership. The business conducted at a special meeting shall be limited to that stated in the notice of meeting.

2.5 Notice of all members' meetings stating the time and place and the objects for which the meeting is called shall be given by the President or Vice President or Secretary, unless waived in writing. Such notice shall be given to each member not less than fourteen (14) days, nor more than sixty (60) days prior to the date set for such meeting, which notice shall be mailed or presented personally to each member within said time. If a unit is owned by a corporation, the person entitled to cast the vote for the unit shall be designated by a certificate signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the corporation and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the unit concerned. 2. Not less than three (3) nor more than nine (9) to be elected at the first election of directors.

4. Except as to vacancies provided by removal of directors by members, vacancies in the Board of Directors occurring between annual meetings of members shall be filled by the remaining directors.

5. Any director may be removed by concurrence of two-thirds of the votes of the entire membership at a special meeting of the members called for that purpose. The vacancy in the Board of Directors so created shall be filled by the members of the Association at the same meeting.

6. Provided, however, that until the Developer terminates its control of the Association pursuant to the Condominium Act, the first directors of the Association shall serve, and in the event of vacancies the remaining directors shall fill the vacancies. Such powers and duties of the directors shall include, but shall not be limited to the following, subject, however, to the provisions of the Declaration of Condominium, the Articles of Incorporation and these By-Laws:

1. To purchase insurance upon the condominium properties and insurance for the protection of the Association and its members.

To acquire and enter into agreement whereby it acquires leaseholds, memberships, and other possessory or use interests in lands, or facilities whether or not contiguous to the lands of the condominium intended to provide for the enjoyment, recreation or other use and benefit of the unit owners, and to declare expenses in connection therewith to be common expenses.
4. To pay all costs of power, water, sewer and other utility services rendered to the condominium and not billed to the owners of the separate private units.

6. To approve or disapprove proposed purchasers and lessees of units in the manner specified in the Declaration of Condominium.

4.2 The Board of Directors shall adopt such rules and regulations relative to the condominium as they shall deem

necessary and proper from time to time; provided, however, that the Developer reserves the right to establish such rules and regulations until such time as the Developer terminates its control over the Association.

4.3 The undertakings, leases and contracts authorized by the initial board shall be binding upon the Association in the same manner and with the same effect as though such undertakings, leases and contracts had been authorized by the first Board of Directors, duly elected by the membership after the Developer has relinquished control of the Association, notwithstanding the fact that members of the initial Board of Directors may be directors or officers of, or otherwise associated with the Developer, or other entities doing business with the Association.

5. OFFICERS.

5.1 The executive officers of the corporation shall be a President, who shall be a director, a Vice President, who shall be a director; a Treasurer; a Secretary and an Assistant Secretary, all of whom shall be elected annually by the Board of Directors and who may be peremptorily removed by vote of the directors at any meeting by concurrence of a majority of all of the directors. Any person may hold two or more offices except that the President shall not also be the Secretary or an Assistant Secretary. The Board of Directors shall from time to time elect such other officers and designate their powers and duties as the board shall find to be required to manage the affairs of the Association.

5.2 The President shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of president of an association, including but not limited to, the power to appoint committees from among the members from time to time, as he may in his discretion deem appropriate, to assist in the conduct of the affairs of the Association.

5.3 The Vice President shall in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the directors.

5.4 The Secretary shall keep the minutes of all proceedings of the directors and the members. He shall attend to the giving and serving of all notices to the members and directors and other notices required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep the records of the association, except those of the Treasurer, and shall perform all other duties incident to the office of secretary of an association and as may be required by the directors or the President. The Assistant Secretary shall perform the duties of the Secretary when the Secretary is absent.

5.5 The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors for examination at reasonable times. He shall submit a treasurer's report to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer.

5.6 The compensation of all officers and employees of the Association shall be fixed by the directors. The provision that directors' fees shall be determined by the members shall not preclude the Board of Directors from employing a director as an employee of the Association, nor preclude the contracting with a director for the management of the condominium.

6. FISCAL MANAGEMENT. The provisions for fiscal management of the Association set forth in the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

6.1 Accounts. The receipts and expenditures of the Association shall be credited and charged to accounts which shall include but not be limited to the following classifications as shall be appropriate, all of which expenditures shall be common expenses:

1. Current Expenses, which shall include all receipts and expenditures to be made within the year for which the budget is made, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to betterments. The balance in this fund at the end of the year shall be applied to reduce the assessments for current expenses for the succeeding year.

2. Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

3. Reserve for replacement which shall include funds for repair or replacement required because of damage, depreciation or obsolescence.

4. Betterments, which shall include the funds which may be used for capital expenditures for additional improvements of additional personal property.

5. The Board of Directors, upon a two-thirds vote of its membership shall have the authority during a budget year, to transfer funds which, in its discretion if it deems necessary to hold for the purposes of a particular account, to and for the use of another purpose in another account.

6.2 Budget. The Board of Directors shall adopt a budget for each calendar year which shall include the estimated funds required to defray the common expense and to provide and maintain funds for account and reserves including but not limited to the following, according to good accounting practices:

1. Current expense. Current expense shall include all funds and expenditures to be made within the year for which the funds are budgeted and may include a reasonable allowance for contingencies and working funds. The balance in this fund at the end of the year shall be applied to reduce the assessments for current expenses for the succeeding year, or to fund reserves.

2. Reserve for Deferred Maintenance. Reserve for deferred maintenance shall include funds for maintenance items which occur less frequently than annually.

3. Reserve for Replacement. Reserve for replacement shall include funds for repair or replacement required because of damage, depreciation or obsolescence.

4. Betterments, which shall include the funds to be used for capital expenditures for additional improvements or additional personal property which will be part of the common elements, the amount for which shall not exceed Five Thousand (\$5,000.00) Dollars; provided, however, that in the expenditure of this fund no sum in excess of Two Thousand (\$2,000.00) Dollars shall be expended for a single item or purpose unless such betterment has been approved by the members of the Association, in the manner required by the Declaration of Condominium. Provided, however, that the amount for each budgeted item may be increased over the foregoing limitations when approved by condominium parcel owners entitled to cast no less than seventy-five (75%) percent of the votes of the entire membership of the Association.

5. It is further provided, that the Developer shall guarantee the budget until December 31st, 1978, and therefore, the Developer and the condominium parcels owned by it shall not be subject to assessment as provided for in the Declaration of Condominium, but instead shall be assessed and pay to the Association in lieu thereof, a sum equal to the actual amount of the operating expenditures for each calendar year, less an amount equal to the total assessments made by the Association against owners of condominium parcels (excluding those condominium parcels owned by the Developer). During the above period no provision shall be made for betterment or reserves. The Developer reserves the right, but shall not be obligated, to renew the budget guarantee on an annual basis, so long as the Developer is in control of the Association.

6. Copies of the budget and proposed assessments shall be transmitted to each member on or before December 1st, preceding the year for which the budget is made. The copy of

the budget and proposed assessments shall be mailed to each unit owner not less than thirty (30) days prior to the meeting of the Board of Directors at which the budget will be considered, together with a notice of that meeting. If the budget is subsequently amended, a copy of the amended budget shall be furnished to each member. Delivery of a copy of any budget or amended budget to each member shall not affect the liability of any member for any such assessment; neither shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of said budget, and assessments levied pursuant thereto; and, nothing herein contained shall be construed as restricting the right of the Board of Directors, at any time in its sole discretion, to levy an additional assessment in the event that the budget originally adopted shall appear to be insufficient to pay cost and expenses of operation and management, or in the event of emergencies.

7. The provisions of the Condominium Act applicable to revision of the budget and/or recall of the Board of Directors are hereby incorporated by reference, together with all mandatory amendments to said provisions. The revision of the budget or recall of any or all members of the Board of Directors shall require a vote of sixty (60) percent of the whole number of votes of all unit owners.

6.3 Assessments for Common Expenses. Assessments against the condominium parcel owners for their share of the common expense shall be made for the calendar year annually in advance on or before December 20th, preceding the year for which the assessments are made. Such assessments shall be due in four (4) equal quarterly installments, on the first day of January, and on the first day of each quarter thereafter of the year for which the assessments are made. If an annual assessment is not made as required, an assessment shall be presumed to have been made in the amount of the last prior assessment and monthly installments thereon shall be due upon each installment payment date until changed by an amended assessment. In the event the annual assessment proves to be insufficient, the budget and assessments therefore, may be amended at any time by the Board of Directors. The unpaid assessment for the remaining portion of the calendar year for which the amended assessment is made shall be due and payable in equal quarterly installments for the full quarter remaining in the assessment year.

6.4 Assessments for charges. Charges or special assessments by the Association, should such be required by the Board of Directors, shall be levied in the same manner as hereinbefore provided for regular assessments, and shall be payable in the manner determined by the Board of Directors.

6.5 Acceleration of assessment installments upon default. If a condominium parcel owner shall be in default in the payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon

notice thereof to the condominium parcel owner, and thereupon the unpaid balance of the assessments shall come due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to the condominium owner, or not less than twenty (20) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.

6.6 Assessments for emergencies. Assessments for common expenses of emergencies that cannot be paid from the annual assessments for common expenses shall be due only after thirty (30) days notice to the apartment owners concerned and shall be paid in such manner as the Board of Directors of the Association may require in the notice of assessment.

6.7 The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by checks signed by such persons as are authorized by the directors.

6.8 An audit of the accounts of the Association shall be made annually by a certified public accountant, and a copy of the audit report shall be furnished to each member not later than April 1st of the year following the year which the audit is made.

6.9 Fidelity bonds shall be required by the Board of Directors from all persons handling or responsible for Association funds. The amount of such bonds and the sureties shall be determined by the directors. The premiums on such bonds shall be paid by the Association as a common expense.

6.10 The termination of membership in the condominium shall not relieve or release any such former owner or a member from a liability or obligation incurred under or in any way connected with the condominium during the period of such ownership and membership, or impair any rights or remedies which the Association may have against such former owner and member arising out of or in any way connected with such ownership and membership and the covenants and obligations incident thereto.

7. RULES AND REGULATIONS.

7.1 As to common elements and limited common elements. The Board of Directors may, from time to time, adopt or amend previously adopted administrative rules and regulations governing the details of the operation, use, maintenance, management and control of the common elements and limited common elements of the condominium and any facilities or services made available to the unit owners. The Board of Directors shall, from time to time, post in a conspicuous place on the condominium properties a copy of the rules and regulations adopted from time to time by the Board of Directors. The initial rules and regulations shall be as set forth upon Exhibit E to the Declaration of Condominium.

7.2 As to Condominium Units. It shall be the obligation of the individual members to advise the Secretary of the Association of any change of address and ownership as otherwise provided. The Association, for purposes of notification, shall have the right to rely upon the last given address of each of the members.

8.2 Any application for the transfer of a membership or for a conveyance of interest in a condominium parcel or a lease of condominium parcel shall be accompanied by an application fee in the amount of Fifty (\$50.00) Dollars to cover the cost of contacting the references given by the applicant, and such other costs of investigation that may be incurred by the Board of Directors. 11.1 Whenever the masculine singular form of the person is used in these By-Laws, it shall be construed to mean the masculine, feminine or neuter, singular or plural, wherever the context so requires.

11.3 If any irreconcilable conflicts should exist, or hereafter arise, with respect to the interpretation of these By-Laws and the Declaration of Condominium, the provisions of the Declaration shall prevail.

11.4 Corporation and Association are used synonymously, and condominium parcel and unit are used synonymously herein.

1. Barwood Development Corporation, for itself, and for each condominium parcel which it owns within the real property described in aforesaid Exhibit B, hereby covenants, and each unit owner (by acceptance of a deed, whether or not it shall be so expressed in such deed or other form of conveyance) including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association: (a) any annual assessments or charges; and (b) any special assessments for capital improvements or major repair. Each assessment shall be a personal obligation of the unit owner and shall be a lien against the condominium parcel.

2. The assessments levied and collected by the Association shall be used for the purpose of promoting the recreation and social welfare of the unit owners and condominium associations within the area described in Exhibit (1) to this Declaration of Covenants and Declarations.

3. The annual assessment which shall be payable in monthly installments and all special assessments shall be fixed and established by the Board of Directors in accordance with the projected budget, or special financial needs of the Association.

4. The monthly installments of the annual assessment shall commence on a date fixed by the Board of Directors. The due date of any annual or special assessment shall be established in the Board of Directors' resolution authorizing such assessment.

The lien of the assessments provided for herein shall be subordinate to the lien of any institutional mortgage or mortgages now or hereafter placed upon a condominium parcel subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such condominium parcel pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. No sale or transfer shall relieve any condominium parcel from liability for any assessments thereafter becoming due, nor for the lien of any such subsequent assessment. The written opinion of the Association that the lien is subordinate to a mortgage shall be dispositive of any question of subordination.

If a special assessment or a monthly installment of annual assessment is not paid within ten (10) days after the delinquency date, the unpaid assessments shall bear interest from the date of delinquency at the rate of ten (10) percent per annum, and the Association may bring an action to foreclose the lien against the property, in like manner as a foreclosure of a mortgage on real property, and/or a suit on the personal obligation against the unit owner, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorney's fee to be fixed by the court together with the costs of the action.

ARTICLE VI
