III PROPERTY RIGHTS

Section 1. OWNERS' EASEMENTS OF ENJOYMENT. Every Owner shall have a right of use and an easement of enjoyment in and to the Common Area which shall be appurtenant, and shall pass with the title, to every Lot subject to the following:

- C. Rules and regulations governing use and enjoyment of the Common Areas adopted by the Association;
- D. Restrictions contained on any and all plats of all or any part of the Common Area or filed separately with respect to all or any part or parts of the Property.

Section 2. EASEMENTS APPURTENANT. The easements provided in Section 1 shall be appurtenant to and shall pass with the title to each Lot.

Section 3. UTILITY EASEMENTS. Public utilities may be installed underground in the Common Areas when necessary for the service of the Property or additional lands which Developer may purchase contiguous to the Property, but all use of utility

easements shall be in accordance with the applicable provisions of this Declaration.

Section 4. PUBLIC EASEMENTS. Fire, police, health, sanitation and other public service personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas:

Section 5. EASEMENT FOR UNINTENTIONAL AND NON-NEGLIGENT ENCROACHMENTS. If any other building or improvement shall encroach upon any portion of the Common Areas or upon an easement by reason of original construction or by the non-purposeful or non-negligent act of Developer or any other owner of such building or improvement, then an easement for such encroachment shall exist so long as the encroachment exists.

Section 6. ADDITIONAL EASEMENT. The Developer (during any period in which the Developer has any ownership interest in the Property) and the Association shall each have the right to grant such additional electric, telephone, gas, sprinkler, irrigation, cable television or other easement, and to relocate any existing easement in any portion of the Property and to grant access easements and to relocate any existing access easements in any portion of the Property as the Developer or the Association shall deem necessary or desirable, for the proper operation and maintenance of the Property, or any portion thereof, or for the general health or welfare of the Owners or for the purpose of carrying out any provisions of this Declaration; provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the use of the Lots for dwelling purposes.

Section 7. ASSOCIATION EASEMENTS. For the purpose solely of performing its obligations under the provisions of this Declaration, the Association, through its duly authorized officers, agents, employees or independent contractors, shall have the right, after reasonable notice to the Owner, to enter upon any Lot at reasonable hours of any day except Sunday. In the event of an emergency, such right of entry shall exist without notice at any hour of any day, including Sunday. Each Owner hereby grants to the Association, its duly authorized officers, agents, employees or independent contractors such easements for ingress and egress, across the Lots and through improvements constructed upon the Lots, as may be reasonably necessary to effect and perform its obligations under the provisions of this Declaration. In addition, the owner(s) of adjoining property (not within the Property) may grant the Association, its duly authorized officers, agents, employees or independent contractors, such easements for ingress and egress across its properties to effect and perform its duties. In such event, the Association shall indemnify the adjoining property owner(s) for any damage due to injury to the easement areas caused by the use thereof or access.

Section 8. STREET LIGHTING. Street lighting poles and fixtures may be installed by the Association within the Common Areas and the Association shall have the obligation for maintenance of such street lighting facilities from the date of recording this Declaration or from the date of installation of the street lighting, whichever occurs first. In the event the Developer, in its sole discretion, undertakes the obligation on behalf of the Association to install such street lighting, Developer shall be entitled to all rebates or refunds of the installation charges and the Association hereby assigns such rebates or refunds to Developer. Should Developer install the street lighting, if any rebates or payments are made by Florida Power and Light Company to the Association for reimbursement for the installation fees for the poles and fixtures, such rebates or payments shall be forthwith paid by the Association to Developer.

IV MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. MEMBERSHIP. Every person or entity who is a record fee simple Owner of a Lot, including the Developer at all times as long as it owns any part of the Property subject to this Declaration, shall be a member of the Association, provided that any

such person or entity who holds such interest only as security for the performance of an obligation shall not be a member. Membership shall be appurtenant to, and may not be separated from, ownership of any Unit which is subject to assessment.

Section 2. CLASSES AND VOTING. The Association shall have such classes of membership, which classes shall have such voting rights, as are set forth in the Articles of the Association.

Section 3. MERGER OR CONSOLIDATION. Upon a merger or consolidation of any association referred to herein with any other association, the properties, rights and obligations of such association may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of any association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration within the Property together with the covenants and restrictions established upon any other property as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Declaration within the Property.

Section 4. TERMINATION OF THE ASSOCIATION. In the event the Association is terminated or shall no longer continue to exist for any reason whatsoever, or in the event of dissolution of the Association for whatever reason other than merger or consolidation as provided for herein, any Owner may petition the Circuit Court of the Fifteenth Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the Association and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association, the Property and Common Areas.

V. COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Developer, for each Lot owned by it within Palmetto Park Woods, hereby covenants, and each Owner of any Lot (by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance) including any purchaser at a judicial sale, shall hereafter be deemed to covenant and agree to pay to the Association any annual assessments or charges and any special assessments for capital improvements or major repair; such assessments to be fixed, established and collected from time to time as hereinafter provided. All such assessments, together with interest thereon from due date at the highest rate allowed by law and costs of collection thereof (including attorney's fees), shall be a charge on the land and shall be a continuing lien (the "Lien") upon the Lot(s) against which each such assessment is made and shall be the personal obligation of the Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment.

Section 2. PURPOSE OF ASSESSMENTS. The annual and special assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in Palmetto Park Woods and in particular for the improvement and maintenance of the Common Area and of any easement in favor of the Association, including, but not limited to, the cost of taxes on the Common Area, insurance, labor, equipment, materials, management, maintenance and supervision thereof, as well as for such other purposes as are permissible activities of the Association and undertaken by the Association.

Section 3. MAXIMUM ANNUAL ASSESSMENTS. Except as hereinafter provided, the annual assessment, excluding any special assessment for capital improvements or major repair, shall in no event exceed Two Thousand Four Hundred and No/100 U.S. Dollars (\$2,400.00) per Lot per annum. For each calendar year after the year of recordation of this Declaration in the Public Records of Palm

Beach County, Florida, the annual assessment limit will be adjusted on the basis of any increase in the cost of living as reported in the Consumer Price Index, All Items and Major Group Figures for All Urban Consumers (1976=100) (the "Index") published by the Bureau of Labor Statistics (the "Bureau") of the United States Department of Labor, between the level in effect (the "Base Level") on January 1, of the year of the recordation, and the level in effect on January 1 of such year (the "Adjustment Level"). The adjusted assessment limit for each year shall be computed by multiplying the sum of Two Thousand Four Hundred and No/100 U.S. Dollars (\$2,400.00) by a fraction, the numerator of which shall be the Adjustment Level, and the denominator of which shall be the Base Level. Stated as a mathematical formula, the adjusted assessment limit shall be computed as follows:

Adjusted Assessment Limit =

$$\frac{\text{Adjustment Level}}{\text{Base Level}} \times \$2,400.00$$

If the compilation and/or publication of the Index shall be transferred to any other department, bureau or agency of the United States Government, or if the Bureau shall adopt a successor Index, the Index published by such successor department, bureau or agency shall be adopted and used as a standard for computing adjustments to the assessment limit.

The Board of Directors of the Association (the "Board") shall fix the assessments, which shall be in amounts determined in accordance with the projected financial needs of the Association, as to which the decision of the Board shall be dispositive. By the vote of a majority of the members of the Board the maximum amounts of the assessments may be varied from the amounts hereinabove set forth.

Section 4. UNIFORM RATE OF ASSESSMENT. All regular and special assessments shall be at a uniform rate for each Lot in Palmetto Park Woods. Provided however, during the period in which the Developer owns any Lot in Palmetto Park Woods, it shall be exempt from assessment, at its sole discretion, as long as it agrees to pay any cash operating deficit of the Association.

Section 5. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS AND MAJOR REPAIRS. In addition to any annual assessments, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement of a capital improvement as approved by the Board, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the members of the Board.

Section 6. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS: DUE DATE. The assessments for which provision is herein made shall commence on the dates (which shall be the first day of a month) fixed by the Board to be the date of commencement. The due date of any assessment shall be fixed in the resolution authorizing such assessments, and any such assessment shall be payable in advance in monthly, quarterly, semi-annual or annual installments, as determined by the Board.

Section 7. DUTIES OF THE BOARD OF DIRECTORS. The Board shall fix the date of commencement and the amount of, the assessment against each Lot and other portions of the Property, for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall be sent to every Owner subject thereto not later than seven (7) days after fixing of the date of commencement thereof.

The Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association, setting forth whether said

assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. EFFECT OF NON-PAYMENT OF ASSESSMENT: THE LIEN, THE PERSONAL OBLIGATION, REMEDIES OF ASSOCIATION. The Lien of the Association shall be effective from and after recording, in the Public Records of Palm Beach County, Florida, a claim of lien identifying the Lot encumbered thereby, the name of the Owner, the amount and the date when due. Such claim of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

If the assessment is not paid within thirty (30) days after the delinquency date, which shall be set by the Board, the assessment shall bear interest from the date of delinquency at the highest rate allowed by law, and the Association may at any time thereafter bring an action to foreclose the Lien against the Lot(s), in like manner as a foreclosure of a mortgage on real property, and/or a suit on the personal obligation against the Owner(s) and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action (including reasonable attorneys' fees and title search expenses), and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorneys' fees to be fixed by the Court together with the costs of the action.

Section 9. SUBORDINATION OF THE LIEN TO MORTGAGES. The Lien of the assessments provided for herein made, as well as in any other Article of this Declaration shall be subordinate to the lien of any first mortgage to a federal or state chartered bank, mortgage company, life insurance company, federal or state savings and loan association or real estate investment trust or other similar mortgagee generally known as an institutional mortgagee, which is perfected by recording prior to the recording of a claim of lien for any such unpaid assessments by the Association. Such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot by deed in lieu of foreclosure of such Lot or pursuant to a decree of foreclosure of such mortgage; provided however, any such Lot shall be liable, following such sale, for a pro rata share of any unpaid assessments against such Lot accruing prior to such sale, in common with all other Property. No sale or other transfer shall relieve any Lot from liability for any assessments thereafter becoming due, nor from the Lien of any such subsequent assessment. The written opinion of either the Developer or the Association that the Lien is subordinate to a mortgage shall be dispositive of any question of subordination.

Section 10. EXEMPT PROPERTY. The Board shall have the right to exempt any of the Property subject to this Declaration from the Assessments, charge and Lien created herein provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

- A. Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- B. All of the Common Area as defined in Article I hereof;
- C. Any of the Property exempted from ad valorem taxation by the laws of the State of Florida, to the extent agreed to by the Association.
- D. Any easement or other interest dedicated or conveyed to not for profit corporations for the use and benefit of owners in the planned unit development of which the Property is a part.

Notwithstanding any provisions herein, no land or improvements devoted to residential dwelling or related use shall be exempt from said assessments, charges or Lien.

VI EXTERIOR MAINTENANCE ASSESSMENT

Section 1. EXTERIOR MAINTENANCE. The Association shall provide maintenance upon the Common Area, and the Association may provide upon any Lot requiring same, when necessary in the opinion of the Board to preserve the beauty, quality and value of the neighborhood, maintenance including paint, repair, roof repair and replacement, gutters, downspouts, exterior building surfaces and yard cleanup and/or maintenance.

Section 2. ASSESSMENT OF COST. The cost of such maintenance shall be assessed against the Lot or Lots upon which such maintenance is performed or, in the opinion of the Board benefitting from same. The assessment shall be apportioned among the Lots involved in the manner determined to be appropriate by the Board. If no allocation is made, the assessment shall be uniformly assessed against all of the Lots in the affected area. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a Lien on the Lot(s) and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest and fees for the cost of collection, as provided for the other assessments of the Association, and shall be subordinate to mortgage liens to the extent provided by Section 9 of Article V herein.

Section 3. ACCESS. For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized officers, agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Lot(s) or the exterior of any improvements thereon at reasonable hours on any day except Saturday or Sunday. In the case of emergency repairs, access will be permitted at any time with only such notice, as under the circumstances, is practically affordable.

VII ARCHITECTURAL CONTROL

Section 1. NECESSITY OF ARCHITECTURAL REVIEW AND APPROVAL. No landscaping, improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement shall be commenced, erected, placed or maintained upon any Lot nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, specifications and location of the same shall have been submitted to and approved in writing, by the Association. All plans and specifications shall be evaluated as to harmony of external design and location in relation to surrounding structures and topography and as to conformance with the Architectural Planning Criteria of the Association, a copy of which are attached hereto as Exhibit C, as the same may from time to time be amended. It shall be the burden of each Owner to supply completed plans and specifications to the Association or Architectural Review Board thereof and no plan or specification shall be deemed approved unless a written approval is granted by the Association or Architectural Review Board thereof to the owner submitting same. Any change or modification to approved plans shall not be deemed approved unless a submittal and written approval thereof is granted. Provided however, the Developer shall be exempt from review and approval with respect to any property it may own, from time to time. Provided further, the review and approval rights as contained herein are intended to control aesthetics and the maintenance of community standards, not to insure compliance with any contract, code, ordinance, rule, regulation or law. Each Owner expressly acknowledges that the Developer, Association and ARB shall incur no liability, express or implied, with respect to conformance with any contract, code, ordinance, rule, regulation or law.

Section 2. ARCHITECTURAL REVIEW BOARD. The architectural review and control functions of the Association shall be administered and performed by the Architectural Review Board (the "ARB"), which shall consist of three (3) members who need not be members of the Association. The Developer shall have the right to appoint all of the members of the ARB, or such lesser number as it may choose, as long as it owns at least one (1) Lot in Palmetto Park Woods. Members of the ARB as to whom Developer may relinquish the right to appoint, and all members of the ARB after Developer no longer owns at least one (1) Lot in Palmetto Park Woods shall be appointed by, and shall serve at the pleasure of the Board. At any time that the Board has the right to appoint one (1) or more members of the ARB, the Board shall endeavor to appoint at least one (1) architect or building contractor thereto. A majority of the ARB shall constitute a quorum to transact business at any meeting of the ARB and the action of a majority present at a meeting at which quorum is present shall constitute the action of the ARB. Any vacancy occurring on the ARB because of death, resignation, or other termination of service of any member thereof shall be filled by the Board; except that Developer, to the exclusion of the Board, shall fill any vacancy created by the death, resignation, removal or other termination of services of any member of the ARB appointed by Developer.

Section 3. POWERS AND DUTIES OF THE ARB. The ARB shall have the following powers and duties:

A. To recommend, from time to time, to the Board modification and/or amendments to the Architectural Planning Criteria. Any modification or amendment to the Architectural Planning Criteria shall be consistent with the provisions of this Declaration, and shall not be effective until adopted by a majority of the members of the Board at a meeting duly called and noticed at which a quorum is present and voting. Notice of any modification or amendment to the Architectural Planning Criteria, including a verbatim copy of such change or modification, shall be delivered to each member of the Association; provided that, the delivery to each member of the Association of notice and a copy of any modification or amendment to the Architectural Planning Criteria shall not constitute a condition precedent to the effectiveness or validity of such change or modification.

B. To require submission to the ARB of two (2) complete sets of all plans and specifications, and a complete color palette, for any improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, tennis court, enclosure, sewer, drain, disposal system, decorative building, landscape device or object, or other improvement, the construction or placement of which is proposed upon any Lot in Palmetto Park Woods, signed by the Owner of the Lot and contract vendee, if any. The ARB may also require submission of samples of building materials proposed for use on any Lot, and may require such additional information as reasonably may be necessary for the Board to completely evaluate the proposed structure or improvement in accordance with this declaration and the Architectural Planning Criteria.

C. To approve or disapprove any improvement or structure of any kind, including without limitation, any building, fence, wall, swimming pool, tennis court, screen enclosure, sewer, drain disposal system, decorative building, landscape device or object, or other improvement or change or modification thereto, the construction, erection, performance or placement of which is proposed upon any Lot in Palmetto Park Woods and to approve or disapprove any exterior additions, changes, modifications or alterations therein or

thereon. All decisions of the ARB shall be submitted in writing to the Board, and evidence thereof may, but need not be, made by a certificate, in recordable form, executed under seal by the president or any vice president of the Association. Any party aggrieved by a decision of the ARB shall have the right to make a written request to the Board, within thirty (30) days of such decision, for a review thereof. The determination of the Board upon reviewing any such decision shall in all events be dispositive.

D. To adopt a schedule of reasonable fees for processing requests for ARB approval of proposed improvements. Such fees, if any, shall be payable to the Association, in cash, at the time that plans and specifications are submitted to the ARB.

E. The Architectural Planning Criteria is intended as a guideline in which adherence shall be required by each Owner in Palmetto Park Woods; provided, however, the ARB shall have the express authority to waive any requirement set forth in the Architectural Planning Criteria if, in its professional opinion, it deems such waiver is in the best interests of the community and the deviation requested is compatible with the character of Palmetto Park Woods. A waiver shall be evidenced by an instrument signed and executed by the president and secretary of the Association upon unanimous approval of the ARB.

VIII RESTRICTIONS

Section 1. RESIDENTIAL USE. The Property subject to these Covenants and Restrictions may be used for residential living units and for no other purpose. No business or commercial building may be erected on any Lot and no business may be conducted on any part thereof. Provided however, a sales model shall not be deemed a commercial building. No Lot shall be divided, subdivided or reduced in size unless each divided or subdivided portion thereof is consolidated with one or more contiguous Lots under one ownership; provided that, if the ARB shall first have specifically approved the same, a Lot may be subdivided for the purpose of increasing the size of only one (1) contiguous Lot so long as the portion of the divided Lot which remains unconsolidated as a single Lot shall be total area at least ninety-five percent (95%) as large as the then smallest Lot (in area) in Palmetto Park Woods. In the event of the subdivision and consolidation of any Lot(s) as aforesaid, the obligation for Association expenses attributable to the subdivided Lot(s) shall be and become proportionately attributable and chargeable to the contiguous Lot(s), and the Owner(s) thereof, to and with which all portions of the divided or subdivided Lot(s) becomes consolidated. Further, any limitations on residence size imposed by law or by the Architectural Planning Criteria shall apply to the consolidated Lot(s) as if the same were a single lot. In the event that one or more Lots are developed as a unit the provision of these covenants and restrictions shall apply thereto as a single Lot except as to the assessments provided for herein. Section 7. AUTOMOBILE STORAGE AREA. No automobile garage shall be permanently enclosed or converted to another use without the substitution of another enclosed automobile storage area upon the Lot. No carports shall be permitted unless approved by the ARB. All garages shall contain at least four hundred fifty (450) square feet of usable space appropriate for the parking of automobiles. Garages may not be converted to dens, bedrooms or other areas intended for habitation, it being the intent that garages be available for use for the purpose intended.

Section 8. CLOTHES DRYING AREA. Any portion of any Lot used as a drying or hanging area for laundry of any kind shall be screened from view of adjoining Lots and roadways by proper landscaping.

Section 9. LANDSCAPING. An initial basic landscaping plan for each Lot, together with a detailed written estimate of the costs of such plan, must be submitted to and approved by the ARB at the time of construction of a home on such Lot. The Owner of such Lot shall be required to expend a minimum of One Thousand and No/100 U.S. Dollars (\$1,000.00) in landscaping upon such Lot said amount to be based upon the value given by a nursery, exclusive of sodding, fill, grading, mulch, irrigation and design fees. Section 14. LIGHTING. No lighting shall be permitted which alters the residential character of Palmetto Park Woods. No lighting of tennis courts shall be permitted except in the Common Area.

Section 15. MISCELLANEOUS. No weeds, underbrush or other unsightly vegetation shall be permitted to grow or remain upon any Lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon; and in the event that any Owner shall fail or refuse to keep his Lot free of weeds, underbrush or refuse piles, debris or other unsightly growths or objects, then the Association may enter upon said Lot and remove the same at the expense of the Owner, and such entry shall not be deemed a trespass. During construction of a dwelling or other improvement, each owner will be required to maintain his Lot in a clean condition, providing for trash and rubbish receptacles and disposal. Construction debris shall not be permitted to remain upon any Lot.

IX. CENTRAL TELECOMMUNICATION RECEIVING AND DISTRIBUTION SYSTEM

Section 1. OWNERSHIP AND USE. Developer reserves and retains for itself, its successors and assigns:

A. The title to any central telecommunication receiving and distribution system which Developer installs or causes to be installed within the Property, and a perpetual easement for the placement and location thereof, including without limitation, conduits, wires, amplifiers, towers, antennae and related apparatus and equipment; and

B. A perpetual easement for ingress to and egress from the Property to service, maintain, install, repair and replace the aforesaid apparatus and equipment; and

C. The right to connect the central telecommunication receiving and distribution system to such receiving source as Developer may in its sole discretion deem appropriate, including without limitation, companies licensed to provide the CATV service in Palm Beach County, Florida, for which service Developer, its successors and assigns, shall have the right to charge every Association member a reasonable fee not to exceed the maximum allowable charge for CATV service as from time to time defined by the Code of Laws and Ordinances of Palm Beach County, Florida.

D. The right to empower a licensee or franchisee to provide CATV service within Palmetto Park Woods and to collect such license or franchise fees in connection therewith as the Developer may, in its sole discretion, deem appropriate.

Section 2. SECURITY SERVICES. Developer, the Association or their successors or assigns or franchisees and the cable telecommunications system operator, may enter into contracts for the provision of security services through the central telecommunications systems.

Section 3. DISCLAIMER OF WARRANTIES AND LIABILITY. DEVELOPER, THE ASSOCIATION AND THEIR FRANCHISEES, AND CABLE TELECOMMUNICATION SYSTEM OPERATOR, DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SYSTEMS WILL PREVENT INTRUSIONS, FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH INTRUSIONS, FIRES OR OCCURRENCES, WHICH THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR. EVERY OWNER OR OCCUPANT OF PROPERTY SERVICED BY THE CENTRAL TELECOMMUNICATIONS SYSTEM ACKNOWLEDGES THAT DEVELOPER, the ASSOCIATION OR ANY SUCCESSOR, ASSIGN OR FRANCHISEE OF THE DEVELOPER, THE ASSOCIATION OR THE CABLE SYSTEM OPERATOR WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES OR INJURIES RESULTING FROM SUCH OCCURRENCES.

Section 4. LIMITATIONS ON DAMAGES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure of a security service to perform any of its obligations with respect to security services; therefore every Owner or occupant of property receiving security services through the central telecommunication system agrees that Developer, the Association or any successor, assign or franchisee of Developer or the Association and the cable telecommunications system operator assumes no liability for loss or damage to property or for personal injury or death to persons due to failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Owner's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence of the security service provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes beyond the control of the security service provider. Every Owner or occupant of property obtaining security services through the central telecommunications system further agrees for himself, his guests, invitees and licensees that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of the system, the liability, if any of the Developer, the Association, any franchisee of Developer, or the Association and the cable system operator or their successors or assigns, for loss or damage sustained shall be limited to a sum not exceeding Two Hundred Fifty and No/100 U.S. Dollars (\$250.00), which limitation shall apply notwithstanding that the loss or damage results directly or indirectly from negligent performance or non-performance by any officer, agent or employee of the Developer, the Association or any franchisee, successor or assign of the Developer, the Association, or the cable system operator. Further, in no event will Developer, the Association, the cable system operator or their successors or assigns, be liable for consequential damages, wrongful death, personal injury or commercial loss.

X ON SITE LAKES

On site lakes are designed as water management areas and are not designed as aesthetic features. Due to low ground water elevations within the immediate area, lakes located on site may be extremely shallow during several months of the year. The Developer and the Association shall incur no liability for receding water levels due to changes in the water table or surrounding properties.

XI GENERAL PROVISIONS

Section 1. DURATION AND REMEDIES FOR VIOLATION. Any notice required to be sent to any member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage paid, to the last known address of the person who appears as member or Owner on either the records of the Association or the Public Records of Palm Beach County, Florida, at the time of such mailing.

Section 3. ENFORCEMENT. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the land to enforce any lien created by these covenants; and failure by the Association or any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. SEVERABILITY. Invalidation of any one of these Covenants and Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 5. CONFLICT. This Declaration shall take precedence over conflicting provisions in the Articles of Incorporation and By Laws of the Association and the Articles shall take precedence over the By Laws. Section headings are included only for ease of reference and are not intended to add to, limit or affect the substance or meaning of each section.

Section 6. EFFECTIVE DATE. This Declaration shall become effective upon recordation of this Declaration in the Official Records of Palm Beach County, Florida.

Provided further, no amendment affecting the Common Area shall be effective without the joinder and consent of the County of Palm Beach, Florida and no amendment affecting the surface water management system, including the water management portion of the Common Areas, shall be effective without

the approval of the South Florida Water Management District. Notwithstanding the foregoing, the Developer, its successors and assigns, reserves the right to amend this Declaration without the joinder or consent of any party, to correct a scrivener's error, to make changes as may be required or advisable to facilitate financings of the Property or Lots, which do not materially change or modify the rights or obligations of any party.

Section 8. USAGE. Whenever used the singular shall include the plural and the singular, and the use of any gender shall include all genders.

IN WITNESS WHEREOF, Developer has caused this Declaration to be executed in its name by its undersigned, duly authorized managing general partner the day and year first above written.

XII. INDEMNIFICATION OF OFFICERS AND DIRECTORS

1. The Association hereby indemnifies any director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

A. Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

B. By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a director or officer of the Association, or by reason of his being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

2. The Board of Directors shall determine whether amounts for which a director officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by a Board of directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

3. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

XIII. TRANSACTIONS IN WHICH DIRECTORS OF OFFICERS ARE INTERESTED

1. No contract or transaction between the Association and one (1) or more of its directors or officers, or between the

Association and any other corporation, partnership, association or other organization in which one (1) or more of its directors or officers are directors or officers, or have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction, or solely because his or their votes are counted for such purpose. No director or officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

2. Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

XIV. DISSOLUTION OF MERGER OF THE ASSOCIATION

1. Upon dissolution of the Association, all of its assets remaining after provision for payment of creditors and payment of all cost and expenses of such dissolution shall be distributed in the following manner:

A. B. Dedication to Palm Beach County, Florida, or its successor, of the Common Areas, as defined in the Declaration which shall be effective without the prior written consent of Palm Beach County or its successor.

C. Remaining assets shall be distributed among the Members as tenants in common, each Member's share of the assets to be determined in accordance with his voting rights.

2. The Association may be dissolved upon a resolution to that effect being recommended by three-fourths (3/4ths) vote of the Board of Directors, and, if necessary at the time of dissolution, after receipt of an appropriate decree as set forth in Florida Statutes Section 617.05 or statute of similar import, approval by two-thirds (2/3) of the voting rights of the Association's Members.

3. In the event that the Association is dissolved for any reason whatsoever, title to the surface water management system shall be transferred to either a governmental unit or other non-profit organization which will provide for the continued operation and maintenance of the surface water management system.

4. The Association may be merged into another not for profit corporation upon a resolution to that effect being recommended by three-fourths (3/4ths) vote of the Board of Directors, and if necessary at the time of merger, after receipt of an appropriate decree as set forth in Florida Statutes Section 617.051 or statute of similar import, and approval by two-thirds (2/3) of the voting rights of the Association's Members. Provided however, no merger shall be effective without the consent of the Developer for so long as it has the right to appoint any director to the Board of Directors which consent may be withheld for any reason whatsoever.

ARCHITECTURAL PLANNING CRITERIA

WHEREAS, the Declaration of Covenants and Restrictions for Palmetto Park Woods Homeowners' Association, Inc. (the "Declaration"), being recorded simultaneously herewith in the Official Records of Palm Beach County, Florida, provides that GSG Associates, a Florida general partnership, (the "Developer"), shall form a committee known as the Architectural Review Board (the "ARB"); and

WHEREAS, the Declaration provides that the Board of Directors of Palmetto Park Woods Homeowners' Association, Inc. (the "Association") on recommendation of such ARB, shall adopt and modify or amend from time to time Architectural Planning Criteria for Palmetto Park Wood, which criteria is to be set forth in writing and made known to all Owners and all prospective owners in Palmetto Park Wood.

NOW, THEREFORE, the Developer has appointed a committee to be known as the ARB, and in accordance with the duties and obligations imposed upon this committee by the Declaration, the Board of Directors of the Association, upon recommendation of the ARB, does hereby adopt the following Architectural Planning Criteria:

1. BUILDING TYPE. No building shall be erected, altered, placed or permitted to remain on any Lot, other than one (1) detached single family residence designed by a Florida registered architect containing not less than one thousand seven hundred (1,700) square feet, of livable, air-conditioned enclosed floor area (exclusive of open or screen porches, patios, terraces, garages and carports) not to exceed thirty-five feet (35') in height and having a private and enclosed garage (or carport if approved). Unless approved by the ARB as to use, location and architectural design, no garage, tool or storage room may be constructed separate and apart from the residential dwelling, nor can any such structure(s) be constructed prior to construction of the main residential dwelling.

2. LAYOUT. No foundation for a building shall be poured, nor shall construction commence in any manner or respect, until the layout for the building is approved by the ARB. It is the purpose of this approval to assure that no trees are unnecessarily disturbed and that the home is placed on the Lot in its most advantageous position.

3. EXTERIOR COLOR PLAN. The ARB shall have final approval of all exterior color plans and each owner must submit to the ARB prior to initial construction and development upon any Lot a color plan showing the color of the roof, exterior walls, shutters, trims, etc. The ARB shall consider the extent to which the color plan is consistent with the homes in the surrounding areas and the extent to which the color plan conforms with the natural color scheme of and for Palmetto Park Woods.

4. ROOFS. Flat roofs shall not be permitted unless approved by the ARB. Such areas where flat roofs may be permitted are Florida rooms, porches and patios. There shall be no flat roofs on the entire main body of a building; provided that, the ARB shall have discretion to approve such roofs on part of the main body of a building, particularly if modern or contemporary in design. Minimum pitch of roofs will be five-twelfths (5/12ths). Mansard roofs will not be permitted. The composition of all pitched roofs shall be tile, cedar shake shingle, slate or concrete construction, or other composition approved by the ARB. Asphalt shingles will not be allowed.

White roofs will not be permitted without specific approval from the ARB.

5. Similar elevations shall not be built directly adjacent, diagonally or across from each other.

6. GARAGES. In addition to the requirements stated in Paragraph 1 hereinabove, all garages shall have a minimum square footage of four hundred (400) square feet as measured from the inside wall of the garage. All garages must have a single overhead door with a minimum width of sixteen feet (16') for a two (2)-car garage. No carports will be permitted unless approved by the ARB.

7. DRIVEWAY CONSTRUCTION. All dwellings shall have a paved driveway of stable and permanent construction of at least seventeen feet (17') in width at the entrance to the garage and twelve feet (12') in width at the street. All driveways must be constructed with concrete or other material approved by the ARB. Where curbs are required to be broken for driveway entrances, the curb shall be repaired in a neat and orderly fashion acceptable to the ARB.

8. DWELLING QUALITY. The ARB shall have final approval of all exterior building materials. Exposed concrete block shall not be permitted on the exterior of any building or detached structure unless prior approval is obtained from the ARB. The ARB shall discourage the use of imitation materials for facades and encourage the use of front materials such as brick, four inch (4") or five inch (5") block, stone, wood and stucco, or a combination of the foregoing.

9. SIGNS. No sign of any kind shall be displayed to the public view on any Lot except the following:

A. The exclusive sales agent for the original building of a single family residence on any Lot(s) may place one (1) professional sign, approved in advance by the ARB, advertising the property for sale.

B. Homeowners shall not display or place any sign of any character including "for rent" or "for sale" signs except that a sign displaying the word "open", not to exceed five (5) square feet, may be displayed during anytime the homeowner or his designated representative is in attendance.

The size and design of all signs shall be subject to approval by the ARB.

10. GAMES AND PLAY STRUCTURES. All basketball backboards, tennis courts and play structures shall be located at the rear of the dwelling, or on the inside portion of corner Lots within the setback lines. No playform, doghouse, tennis court, playhouse or structure of a similar kind or nature shall be constructed on any part of a Lot located in front of the rear line of the residence constructed thereon, and any such structure must have prior approval of the ARB and include sufficient landscaping treatment acceptable to the ARB.

11. FENCES AND WALLS. Fences are discouraged, and when a barrier is desired, landscaping is suggested as a substitute. The composition, location and height of any fence or wall to be constructed on any Lot shall be subject to the approval of the ARB. The ARB shall require the composition of any fence or wall to be consistent with the material used in the surrounding homes and other fences, if any. Fences will not be permitted on Lot lines. Pool fencing must be accomplished directly adjacent to pool decking unless otherwise approved by the ARB.

12. LANDSCAPING. A landscaping plan and specifications, prepared by a Florida registered architect for each Lot must be submitted to and approved by the ARB prior to initial construction and development therein. The landscape plan must be at one-eighth (1/8) scale and must show the following:

- A. Lot property lines
- B. Lot sidewalks and street pavement edge
- C. Any and all easements
- D. All exterior walls with all window and door openings
- E. All site paving, pools, planters and constructed landscape features
- F. All existing and proposed vegetation
- G. A plant list showing quantity, scientific name, common name, size/description, per unit cost and total cost for each plant.

A minimum of One Thousand and No/100 U.S. Dollars (\$1,000.00) in landscape plan material is required on each Lot, excluding sod and irrigation. Not more than twenty-five percent (25%) of the required landscaping shall be of groundcover and/or seasonal planting. In addition to required landscaping, each Lot is required to be sodded with St. Augustine "Floratum" sod and have an automatic irrigation system. The entire Lot, including that portion of the Lot between the street pavement and the right of way line, shall be irrigated and maintained. It shall be the goal of the ARB in the approval of any landscape plan and layout plan to preserve all existing trees where possible.

13. SWIMMING POOLS AND TENNIS COURTS. Any swimming pool or tennis court to be constructed on any Lot shall be subject to the requirements of the ARB, which include, but are not limited to the following:

- A. Composition to be of material thoroughly tested and accepted by the industry for such construction;
- B. The outside edge of any pool wall may not be closer than four feet (4') to a line extended and aligned with the side walls of the dwelling;
- C. No screening of pool area may stand beyond a line extended and aligned with the side walls of the dwelling unless approved by the ARB;
- D. Pool screening may not be visible from the street in front of the dwelling;
- E. Location and construction of tennis or badminton court must be approved by ARB;
- F. Any lighting of a pool or other recreation area shall be designed so as to buffer the surrounding residences from the lighting;
- G. Tennis court lighting shall not be permitted.

If one owner elects to purchase two (2) adjoining Lots and use one for recreation purposes, the Lot used for recreation purposes must be adequately screened by landscaping and/or walls or fences on both the front and side as required by the ARB. It shall be the intent of the ARB to screen any such use from public view.

14. GARBAGE AND TRASH CONTAINERS. No Lot shall be used or maintained as a dumping ground for rubbish, trash or other waste. All trash, garbage and other waste shall be kept in sanitary containers and, except during pickup, if required to be placed at the curb. All Lots shall be maintained during construction in a neat and nuisance-free condition.

15. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out building shall be used on any Lot at any time as a residence either temporarily or permanently, except that the Lot may be used as a sales office during the development of Palmetto Park Woods, or other developments by Developer in the same area. A construction trailer may be parked during the construction phase only with the express written consent to Developer on certain designated Lots.

16. REMOVAL OF TREES. In reviewing building plans, the ARB shall take into account the natural landscaping such as trees, shrubs and palmettos, and encourage the Owner to incorporate them in his landscaping plan. As a result a tree survey will be required clearly indicating which trees will be removed and which trees will remain. No trees of two inches (2") in diameter at one foot (1') above natural grade shall be cut or removed without approval of the ARB, which approval may be given when such removal is necessary for the construction of a dwelling or other improvement.

17. WINDOW AIR CONDITIONING UNITS. No window or wall air conditioning units shall be permitted.

18. MAILBOXES. No mailbox or paperbox or other receptacle of any kind for use in the delivery of mail or newspapers or magazines or similar material shall be erected on any Lot other than that approved by the Developer. If and when the United States mail service or the newspaper or newspapers involved shall indicate a willingness to make delivery to wall receptacles attached to dwellings, each property Owner, on the request of the ARB, shall replace the boxes or receptacle previously employed for such purpose or purposes with wall receptacles attached to dwellings.

19. SIGHT DISTANCE AT INTERSECTION. No fence, wall, hedge, or shrub planting which obstructs sight lines and elevations between two feet (2') and six feet (6') above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five feet (25') from the intersection of the street lines, or in case of a rounded property corner, from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight-lines.

20. UTILITY CONNECTIONS. Building connections for all utilities, including, but not limited to water, electricity, telephone and television shall be run underground from the proper connecting points to the building structure in such a manner to be acceptable to the governing utility authority.

21. SETBACKS. A minimum of a ten foot (10') front setback must be adhered to in the construction of all houses. The rear setback must be a minimum of ten feet (10'). Minimum side yard setbacks will be ten feet (10').

22. ARB REPORTS. The ARB's approval or disapproval as required in the foregoing Architectural Planning Criteria shall be delivered in writing to the Board of Directors of the Association and to the Lot owner submitting same, together with a copy of the approved plans and specifications signed by the Lot Owner and the contract purchaser of the Lot, if any. In the event the ARB fails to approve or disapprove plans and specifications within thirty (30) days of submission thereto, or in any event, if a suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related criteria shall be deemed to have been fully complied with.
